DREAMS TAKE WINGS WITH SCHOLARSHIPS

As part of its community development initiatives, Vedanta Sesa Goa actively supports accomplished students in pursuing higher education through the '**Utkarsh Scholarship**' program. Recently, the company extended its support to 69 deserving students in Goa, enabling them to pursue their higher education through the Vedanta Utkarsh Scholarship program.

The scholarships were formally conferred upon the selected candidates by the hands of the Hon'ble CM of Goa, Dr. Pramod Sawant, in the presence of Mr. Kalidas Gawas, Sarpanch of Navelim, Mr. Krishna Gawas, Sarpanch of Amona, and Mr. Premanand Gawas, President of Laxminarayan Devasthan & other officials from Vedanta Sesa Goa.

Commending Vedanta's community development initiatives, the Hon'ble CM of Goa encouraged scholarship recipients to fully leverage this opportunity for their career advancement.

The **Vedanta 'Utkarsh' Scholarships** are conferred upon selected students, demonstrating academic excellence and commendable performance in both scholastics and extra-curricular activities over the past three years. Final selection involves a meticulous evaluation through one-on-one interviews.

This program aims to alleviate financial constraints for local talent, enabling them to pursue higher education and subsequently embark on a path towards a more promising career. The '**Utkarsh' Scholarship** initiative, due to its far-reaching impact, has garnered high praise from students, parents, and faculties alike. Since its inception in 2018, the '**Utkarsh' Scholarships** have benefited the lives of over **450 students** in Goa so far.

"Education is the most powerful weapon which you can use to change the world. And Vedanta is doing the same. I would like to give my sincere gratitude to Vedanta"

-VINAY GAWAS,
ROBOTICS PROFESSOR, NAVELIM GOA

TRANSFORMING FOR GOOD

BUSINESS PLAN WORKSHOP CHARTS SESA GOA'S GROWTH TRAJECTORY

Sesa Goa recently conducted an impactful Business Plan Workshop, titled **SESA 500+**, aimed at strategizing, executing, sustaining, and accelerating business growth until FY25. Anchored by Navin Jaju, CEO, Sesa Goa, the workshop involved 80+ leaders from various SBUs. The event featured valuable insights from Arun Mishra, CEO, HZL & Executive Director, Vedanta Group, setting the stage for an exciting growth period aligned with the vision of **'Limitless Sesa.'**

DUMPER OPERATIONS TRAINING @ IOG

Vedanta Sesa Goa, in partnership with Volvo, conducted a **6-day Dumper Operations Training** at Iron Ore Goa (IOG). 56 operators benefitted from the training and signifies a significant move towards multiskilling the existing workforce, aligning with Vedanta's commitment to fostering adaptability.

100 RECORDS HIGHEST-EVER DISPATCH

Iron Ore Odisha (IOO) achieved a significant milestone in October 2023 by recording the highest-ever monthly dispatch. This achievement represents 30% increase over the previous record & is a testament to the unwavering dedication and excellence of IOO's Logistics Team & the overall processes at the SBU.

CEO TOWNHALL SETTING THE TONE FOR NEWER HORIZONS

The CEO Townhall Q2 was underscored by an extremely vibrant exchange of ideas between the leadership & employees. The CEO, Sesa Goa, Navin Jaju's insights on enhancing EBITDA & achieving 3x revenue guided the Q3/Q4 plans. The SBU CEO Townhalls were also conducted at IOG, IOK & Sesa Coke

TRANSFORMING FOR GOOD

SESA GOA RESUMES EXPORTS FROM MANGALORE PORT

Sesa Goa resumed iron-ore export from the Mangalore Port, Karnataka, after a 12-year hiatus.

The 'Incredible Blue Vessel', boasting of 55,000-ton capacity, set sail to China bearing the Vedanta Sesa Goa's high-quality iron ore. This achievement is a result of sustained efforts by all involved & strengthens linkages with global trade patterns.

IOK UPGRADES FLEET

Iron Ore Karnataka (IOK) set a new milestone by **successfully commissioning 30 Volvo FMX460 Trucks** with 20.3 CU.M capacity body to further improve mine material handling capacity. The trucks, equipped with safety features such as Fatigue Monitoring System, auto fire suppression detection and suppression system, inclinometers etc., will contribute to further improving the safety standards culture at IOK as well as enhance overall efficiency of the equipment in use.

COKE BUSINESS INNOVATES TO ACHIEVE OPERATIONAL EXCELLENCE

Sesa Coke achieved a groundbreaking milestone by **transitioning from 30% to 0% prime hard coal blend**, upholding its commitment to sustainability & optimization of costs. Innovative strategies such as exploration of non-Australian coals, rigorous pilot testing, and optimization of the entire coal basket went into achieving the desired results.

TRAINING & UPSKILLING AT IOG

IOG, in collaboration with GMMCO, conducted a six-day **Wheel-Loader Operations** training at Bicholim Mines. The program covered safety, operational techniques, and maintenance, with hands-on sessions. Participants who successfully completed the training, now possess operational skill levels at par with industry standards.

SAFETY IS US

← MINES SAFETY WEEK-100

IOO successfully hosted the 41st Mines Safety Week, under the aegis of the Directorate General of Mines Safety. The event featured vigorous mine inspections & awareness activities including a stage play by security & business partners emphasising the importance of safe mine operations. The events helped develop safety consciousness & to further deepen commitment towards a safety-first approach.

FIRST-AID TRAINING AT SCV

Sesa Coke Vazare (SCV) conducted a comprehensive First Aid Training in partnership with St. John Ambulance in November including incident & casualty management, airway emergencies, pre-hospital treatment of wounds etc. This training enabled the staff with essential skills required for effective emergency response and medical assistance.

MINES SAFETY WEEK-IOK ↑

At IOK, The Mines Safety Week 2023, underscored the company's unwavering commitment to the well-being of its workforce and the community. The commemoration included a series of events and activities such as a pledge-taking ceremony, slogan & poem writing competition, and a formal programme aimed at promoting safety awareness & training.

SAFETY FOCUS AT SESA GOA

Safety is at the center of our operations and the month of December was dedicated to the theme of 'Fall of object or person from height'. The message and theme are so chosen as regards their relevance for operations. During the month of Dec 23, several activities were carried out at all SBUs to enhance percolation of the theme as well as to increase safety consciousness.

TRANSFORMING PLANET

VAB'S FIRST EVER FREE EV CHARGING STATION AT NAVELIM

Dr. Pramod Sawant, Hon'ble CM of Goa, Value Added Business (VAB) inaugurated the first-ever free EV charging station at Navelim. VAB has made the facility available free of cost to all users. The free charging station aims to support local communities and promote EV adoption among them, while at the same time promote greener practices.

'GREEN' SCHOOL PROJECT UNDERTAKEN BY VAB

VAB, under **Project 'Green' School**, fostered waste management practices at Government High School, Navelim, through discussions on different waste types, waste management techniques, and disposal methods. The session also included informative videos on waste reduction and minimizing plastic usage & aimed to instill environmental responsibility among high school students.

WORKSHOP ON VEGETABLE CULTIVATION BEST PRACTICES

As part of **Project 'Gram Nirman'**, VAB organized a workshop on vegetable cultivation best practices at Navelim. The session encompassed informative discussions on aspects such as soil testing, land preparation, fertilizer usage, irrigation, and pest management. The workshop is among a series of similar initiatives designed to augment farm incomes.

SWACCHATA PAKHWADA @ IOK

Vedanta IOK organized '**Swachhata Pakhwada 2023**' in Chitradurga, in alignment with the aims of the 'Swachh Bharat Abhiyan'. The initiative was reflective of IOK's commitment towards cleanliness & hygiene. Various activities such as cleanliness drives & dustbin distribution, introducing sanitary vending machines, and conducting educational workshops formed part of the 14-day initiatives.

TRANSFORMING PLANET

VAB PIVOTS TOWARDS SUSTAINABILITY WITH BIO-DIESEL

In a remarkable step towards sustainable energy practices and process improvement, VAB has successfully accomplished the **test-bed use of bio-diesel** during recommissioning of ovens. The test demonstrated a significant reduction in emissions, by around 70% as compared to High Speed Diesel (HSD). The promising results hold tremendous potential for a future and definite shift towards adopting 'greener' & 'cleaner' fuels & achieving cost advantages. →

NATIONAL ENERGY CONSERVATION DAY OBSERVED @ SESA GOA

To mark the National Energy Conservation Day, Sesa Goa conducted a series of events at Sesa Coke Vazare, Bhachau & IOG units & at local schools in the vicinity. The activities include an awareness session highlighting the importance of the day, followed by a poster making competition, ideation contest & a quiz competition. →

VAB STRENGTHENS WASTELAND DEVELOPMENT MECHANISM

With the vision to commence cultivation in 1200 Ha. of wasteland in Bicholim Taluka, a successful training program was conducted along with Govt. of Goa's 'Swayampurna Mitra'. Issues such as role of Farmer Producer Organizations, dairy produce & fodder cultivation, horticulture development & biodiversity management were covered as part of the discussions. ↑

MEMC WEEK FLAGGED OFF @ IOK

Vedanta Ltd. was the official host of the Mines Environment and Mineral Conservation (MEMC) Week for 2023-24, an annual initiative under the aegis of Indian Bureau of Mines, under the Ministry of Mines, Government of India. The week-long event was inaugurated at IOK, Chitradurga, on December 4, 2023 & emphasized responsible and sustainable mining practices. The activities included executive committee meetings, a quiz in Hospet, sapling plantations, performances & competitions at the unit & at local schools. →

TRANSFORMING COMMUNITIES

VAB PROMOTES ACCESS TO CLEAN DRINKING WATER AMONG CHILDREN

VAB provided RO water dispensers in four government primary schools across Amona and Navelim villages aimed at providing clean drinking water, thereby, promoting the health and wellbeing of both students and faculty.

VAB CONDUCTS AWARENESS SESSION ON 'GOOD TOUCH & BAD TOUCH'

VAB conducted an awareness session on 'Good Touch & Bad Touch', for students at Navelim Primary School. The session was anchored by Dr. Fouzia Sheikh, a specialist in the field. It was instrumental in enhancing the awareness levels on this subject in terms of knowledge about safeguarding personal boundaries.

SESA COKE VAZARE EXTENDS INFRASTRUCTURE SUPPORT TO PUBLIC INSTITUTIONS

Sesa Coke Vazare deepened its commitment towards communities by providing desktop computers to Vaibhavwadi Police Station. The initiative aligns with the 'Digital India' campaign of the Government of India & has aided in enhancing overall functioning of the police station.

PROJECT 'VIDYA' BENEFITS STUDENTS AROUND IOO

Under the 'Project Vidya' IOO has facilitated functionality & other support by way of financial assistance in various forms such as study materials, conducting extra-curricular activities for a local school. The initiative underscores IOO's commitment towards community development, enhancing educational levels and academic excellence amongst students.

TRANSFORMING COMMUNITIES

‘DIGITAL URJAA’ LIGHTS UP WORLD COMPUTER LITERACY DAY

To commemorate the World Computer Literacy Day, Vedanta Sesa Goa organized ‘Digital Urjaa’, a Digital Poster Making Competition on December 2nd, 2023, at the Our Lady of Grace High School, Bicholim. Vedanta Foundation has established a computer lab at the School and the students demonstrated a high degree of proficiency. Shri Kundan Falari, Chairperson, Bicholim Municipal Council, was the Chief Guest & was appreciative of the progress made by the students.

SWASTHYA JAGRUTI BY IOG BENEFITS 50+ CHILDREN AT MAEM

More than 50 children benefitted from a health camp organised by Iron Ore Goa, under the ‘Swasthya Jagruti’ initiative, at Gaonkarwada Primary School, Maem focussed on comprehensive health assessments. The students were also provided insights into practical hygiene habits. This endeavor falls within the broader initiative aimed at benefitting women, children, and the elderly in Bicholim Taluka.

IOK DISTRIBUTES MEDICAL EQUIPMENT TO 16 VILLAGES

Under **Project ‘Aarogya’**, IOK distributed medical equipment among beneficiaries from 16 villages. The equipment included wheelchairs, walking sticks and hearing aids for people with disabilities, with a focus on addressing healthcare needs and enhancing the overall quality of life for them.

PROJECT JIVIKA TO UPSKILL 500+ WOMEN

IOG launched **Project ‘Jivika’**, partnering with Self Help Groups (SHGs), with the aim of providing upskilling support to over 500 women from five villages across Bicholim Taluka. The initiative is designed to augment household incomes through small-scale enterprise. Additionally, the initiative includes kitchen garden development, vertical sack gardening, and permaculture units.

TRANSFORMING COMMUNITIES

BLOOD DONATION DRIVE AT SESA GOA

Education at grassroots level gets a leg-up through innovative ways; inclusivity remains key target

The Indian education sector has witnessed a great deal of metamorphosis over the years, keeping with technological advancements and evolving requirements of teaching methods. However, the jury is still out on whether students in hinterland areas have been able to ride that transformational advantage.

One of the foremost changes in infrastructure. Many rural areas lack the basic facilities needed for a conducive learning environment, including well-equipped schools, libraries, and digital connectivity. Students from rural schools either have no access or lack access to advanced learning tools such as digital learning, computer education, and non-academic books. The Covid-19 pandemic further exacerbated the inequities at levels.

In a significant development, the first iron ore-loaded vessel in 12 years set sail from Mangalore Port. This remarkable Incredible Blue Vessel, is en route to China, bearing the prized cargo of Vedanta's high-quality iron ore. This achievement reflects Sesa Goa's commitment to strengthening global trade relationships & underscores the significance of resumption of iron ore exports from the region, aligning with Vedanta's vision for viable & thriving commerce. Kudos to the whole team!
