VEDANTA SESA GOA INITIATES HISTORIC ECO-FRIENDLY COASTAL COAL TRANSPORT

Vedanta Sesa Goa has initiated coal transportation using the 'MV Mandovi' barge through New Mangalore Port Trust (NMPT), marking NMPT's first coastal coal cargo movement.

The effort targets transportation of 20 KT of coal from Mangalore Port to the VAB-Amona plant, emphasizing cost-effective, fuel efficient, and eco-friendly logistics via coastal routes which contributes to easing of road congestion.

"Historic moment for NMPT as first Coastal Cargo movement of Coal to Vedanta Value Added Business in Amona Goa started today. This initiative will encourage Coastal movement of Cargo which is cost effective, efficient, pollution free and reduces traffic congestion on road." - Dr. Venkata Ramana Akkaraju, Chairman NMPT

Prioritising Occupational Health & Safety (OSH) & embracing the latest in cutting-edge tech, Sesa Goa deployed its 2nd **Slope Stability Radar** (SSR) at Iron Ore Karnataka (IOK). The SSR monitors pit and dump slope displacements in real-time, enhancing safety for employees and equipment.

This 3D Real Aperture Radar (RAR) ensures precision and proactive risk management.

The induction of the new generation will impart an added layer of inviolable safety standards & best practices, and help deepen Vedanta's credentials as a safe, reliable & responsible mining company.

LEVERAGING TECH TO ENHANCE SAFETY

EMPOWERING COMMUNITIES FOR A GREENER TOMORROW: A WORLD EARTH DAY INITIATIVE

On World Earth Day, our CSR and HSE departments hosted a program featuring Padma Shri Daitari Naik, the Canal Man of Odisha. They distributed 54 fruit-bearing trees to the Nadidihi village SHG women's groups and conducted an awareness session on "Impact of Plastic Usage on Health," led by the Mobile Health Unit team. This initiative reinforces our commitment to environmental sustainability and the well-being of our communities.

"I highly admire Vedanta Sesa Goa's long-standing commitment towards promoting sustainability and their initiatives that have had a positive impact on the environment and the community at large. Today's youth plays a vital role in inspiring positive change within the community & hence, I urge the youth to embrace sustainable practices and promote it positively. It is only with such dedicated efforts can we make this world a better place to live in."

Padma Shri Daitari Naik (Canal man of Odisha)

COMMITTING THROUGH THE 'GIFT OF LIFE'

In honor of World Blood Donor Day, the IOO CSR Department, in collaboration with the Odisha Blood Centre (Sub-Divisional Bonai), organized a successful blood donation camp at the IOO office. Our dedicated employees and business partners came together to contribute 59 units of blood, showcasing their commitment to saving lives.

MY HEALTH, MY RIGHT

In our commitment to global health, IOO organized a health run in Nadidihi village, drawing around 100 supporters. Forty villagers, including children and youth, participated alongside 25 of our employees and business partners. Participants proudly wore shirts promoting "My Health, My Right," and we awarded prizes to the top three winners, making the event a memorable success.

ADVOCATING AGAINST CHILD LABOUR

Under Project 'Vidya', IOO collaborated with NGO partner 'Punaruthan' to mark World Day Against Child Labour with an awareness session at the Remedial Education Centre in Rengalbeda Village. The session highlighted the importance of education over child labor. IOO also launched a Parent Counseling Programme, urging support for the 'back to school' initiative to reduce dropout rates.

 It's a Historic Day for Goa!
 I congratulate Vedanta for the commencement of mining in Bicholim. This has revived one of the key economic backbones of the state of Goa. Due to the ban on mining since 2012, the stakeholders, people and the state of Goa faced many hardships.
 I wholeheartedly thank the union Government led by Hon'ble PM Shri @naarendraji for continued support to resolve the issue.
 With the consistent efforts of our Government, we carried out a transparent process to auction the mining blocks in the state. With this many stakeholders shall benefit to create employment and the state shall benefit with the enhanced revenue.
 The increased revenues to the state shall lead to enhanced ability of the state to invest more in welfare schemes, Infrastructure development in the state, and take the state towards Viksit Goa.

Vedanta begins coal transportation from New Mangalore Port Trust

'The mode of water transport is cost-effective'

Staff Reporter
Panaji

In a step forward for coastal cargo movement in the state, Vedanta Ltd, on Saturday, said that it has commenced coal transportation from the New Mangalore Port Trust (NMPT) to its Amsona plant. The mode of water transport is cost-effective and eco-friendly, said the company.

Vedanta said that it aims to transport 20 KT of coal from Mangalore port using MV Mandovi barge as a strategic shift towards coal delivery via coastal transportation. The coastal transport move will help to lower the environmental impact of carrying coal while also lowering expenses. 'Compared to conventional methods such as road transportation, usage of barges results in lesser fuel consumption, emissions and avoids traffic congestion along arterial roads,' said the company.

Sesa Football Academy finished in the second position in the Goa Football Association's Goa Professional League and ensured qualification in the I-League 5 2024-25 season. Sesa Football Academy collected 48 points and Joshua D'Silva was the top goal scorer in the league with 24 goals.
