Going beyond Corporate Social Responsibility, Sesa Sterlite Limited – Iron Ore Business is committed to Community Service Responsibility to provide a cleaner and safer environment to all stakeholders.

As part of our Community Service Responsibility, various initiatives were undertaken by the employees on various fronts.

The Cleanliness Drives that started in October 2012 continue till date and around 30 such drives have been conducted at various places. The employees have engaged themselves in various outreach programmes ever since the mining ban hit the state.

The Cleanliness Drives undertaken by the company is in line with the ‘Swachh Bharat Mission’ commissioned by the Prime Minister of India, Narendra Modi on 2nd October 2014. This is a humble contribution by the employees of Sesa Sterlite Limited and a homage to The Father of the Nation – Mahatma Gandhi.

Sesa Sterlite Limited facilitates educational institutions for field trips to its operations. The company is also engaged in creating a scientific temper among the students and community at large by conducting awareness on mining in schools, colleges including engineering colleges all over Goa.

Sesa Sterlite is reaching the grassroots by rendering its selfless service to the community in which it operates.

Some of the activities carried out by the company employees are captured in this booklet.
Swachh Bharat or Swachh Bharat Abhiyan (Campaign Clean India) is a national level campaign by the Government of India covering 4041 statutory towns to clean the streets, roads and infrastructure of the country.

This campaign was officially launched on 2nd October 2014 at Rajghat, New Delhi. The campaign is India’s biggest ever cleanliness drive and 3 million government employees including school and college students of India participated in this event.

This campaign aims to accomplish the vision of 'Clean India' by 2nd October 2019. The 150th birthday of Mahatma Gandhi. The campaign was described as "Beyond Politics" and "Inspired by Patriotism"

NSS Students visit Mines for Plantation Drive
Date: 1 Oct 2014

A group of 40 NSS students of Govt. College Quepem, visited our Codli Mines for a Plantation drive at our Dumps on 1st October 2014. They enthusiastically planted various fruit bearing saplings viz. Mango, Jackfruit, Jamun, Chickoo, Lime, etc. provided by the Company. The students were impressed with the CSR activities carried out by the company.

They said that they always felt mining involved only extraction of ore and did not know what mining companies do in terms of giving back to society and nature. This was a good experience and a memorable day for us and them too. This is a new beginning and we look forward to more of such activities in future.

Don Bosco College of Engineering, Fatorda
Date: 11 Oct 2014

An exposure visit to reclaimed mines was organized for the Final Year students where 30 students and 3 teachers attended the field trip.
