

PRESS RELEASE

Sesa Football Academy invites applications for coaching program

PANAJI, April 06, 2016: Vedanta – Sesa Goa Iron Ore as part of its commitment to serve the community established Sesa Football Academy (SFA) in the year 1999, with the prime objective of nurturing young football talent from Goa. SFA has full-fledged facilities in Sankhali and Sirsaim in North Goa.

SFA imparts systematic and scientific training and lays emphasis to develop the potential and grooms youngsters to become professional players. Within a span of 16 years, SFA has produced 123 trainees and has made tremendous impact on the football fraternity in Goa as well as across India. Most of our graduates are playing for India's senior team, I-League clubs of India and local clubs in Goa.

SFA will be conducting All India Level one month residential camp for the upcoming academic year 2016-17. The camp is scheduled from 01.05.2016 till 31.05.2016 at Sirsaim, North Goa.

Boys in the age group of 16-17 years (born not later than 31st December 2000 and not earlier than 01.01.1999) with a flair for the game and ambitious to become professional players only need apply.

Letter of intent / application may be sent to Sesa Football Academy, Virdi Sankhali Goa 403 505 or Sesa.FootballAcademy@vedanta.co.in to reach us latest by 20.04.16. For any clarifications, please reach Mr. Pradeep Nagueshkar – Tel. 0832 – 2365882 or 9011004439.

The total fee structure for the camp is Rs.21000/- per trainee limited to 30 students. The program shall be subject to adequate response received and fee refunded if program is shelved and not if the trainee opts out of it.

Disclaimer

This press release contains “forward-looking statements”- that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “should” or “will.” Forward-looking statements by their nature address matters that are, to different degrees, uncertain. For us, uncertainties arise from the behaviour of financial and metals markets including the London Metal Exchange, fluctuations in interest and or exchange rates and metal prices; from future integration of acquired businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different than those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements.
