

## **Vedanta Limited Awarded for Environment Management at the Golden Peacock Awards**

### **Institute of Directors commends Vedanta's Talwandi Sabo Power Limited's efforts towards ensuring sustainable operations**

**New Delhi, July 13, 2016:** Vedanta Limited, a globally diversified natural resources company has won the 'Golden Peacock Environment Management Award 2016'. Vedanta Limited's subsidiary, Talwandi Sabo Power Limited (TSPL), was conferred the award at a ceremony presided by Shri Piyush Goyal, Honorable Minister of State, Independent Charge (MoS-IC), Power, Coal, New and Renewable Energy and Mines, Government of India.

Mr. Amitabh Kant (IAS), CEO, Niti Aayog, Lt. Gen. JS Ahluwalia (Retd), President, Institute of Directors (IOD) and Justice Arijit Pasayat, Co-Chairman, IOD & former Judge at the Honorable Supreme Court of India were the other dignitaries present at the ceremony.

“We are deeply grateful to the IOD for having acknowledged our relentless efforts towards ensuring environmental sustainability. Maintaining global environmental benchmarks is a key strategic priority for Vedanta Limited. Our subsidiary, TSPL has made a firm commitment towards sustainable operations and environment management, by installing environment friendly infrastructure at its super-critical power plant in Punjab”, said Mr. Ajay Kumar Dixit, CEO - Power, Vedanta Limited.

With a specialized environment cell that monitors stipulated safeguards at the power plant, TSPL has a highly sophisticated infrastructure dedicated to minimize the environmental impact of its operations in the region. Fly ash utilization and dust extraction systems, high efficiency Electrostatic Precipitator (ESP), sewage treatment plant, rain water harvesting and an adequate green belt are some of the measures taken by TSPL at its plant.

In October 2015, TSPL set the Guinness World Record by planting 2 lakh saplings in a short span of one hour in Mansa District, Punjab. An ISO 9001 and OHSAS certified company, TSPL is the largest Greenfield Power Project in the state.

#### **Disclaimer**

This press release contains “forward-looking statements” – that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “should” or “will.” Forward-looking statements by their nature address matters that are, to different degrees, uncertain. For us, uncertainties arise from the behaviour of financial and metals markets including the London Metal Exchange, fluctuations in interest and or exchange rates and metal prices; from future integration of acquired businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different that those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements.
