Vedanta's Sesa Goa Iron Ore Value Addition Business (VAB) top 25 Innovative organizations in India

PANAJI, January 08, 2015: Sesa Goa Iron Ore - Value Addition Business (VAB) was recognized as one of the Top 25 Innovative organizations in India this year. The award was conferred on VAB at the Confederation of Indian Industry (CII) Innovation and Entrepreneurship Summit 2015 recently.

On behalf of the organization, Mr. V. Manibharathi, In-charge Furnace - BF III, received the award trophy and certificate from Mr. Amitabh Kant, Secretary, Dept. of Industrial Policy & Promotion, Govt. of India.

Sesa Goa Iron Ore - Value Addition Business was nominated in the large enterprise category under the Manufacturing Sector and ranked among the top 25 out of the 165 entries received by CII this year. Various parameters such as innovation, leadership support, and benefit to the organization and society including a site assessment visit were some of the tools for measurement.

The CII Industrial Innovation Awards is the recognition and celebration of innovative Indian enterprises across industry segments. These premier awards seek to recognize and honor Indian Industry's brightest stars.

This press release contains "forward-looking statements" - that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as "expects," "anticipates," "intends," "plans," "believes," "seeks," "should" or "will." Forward-looking statements by their nature address matters that are, to different degrees, uncertain. For us, uncertainties arise from the behaviour of financial and metals markets including the London Metal Exchange, fluctuations in interest and or exchange rates and metal prices; from future integration of acquired businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different that those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements.
