PRESS RELEASE

VAB bags IMC Ramkrishna Bajaj National Quality – Certificate of Merit

Panaji, March 18, 2017: Vedanta – Sesa Goa Iron Ore, Value Addition Business (VAB) has entered into the league of esteemed organizations striving for excellence and was awarded the coveted **IMC RBNQ** (Ramkrishna Bajaj National Quality) **Certificate of Merit** in the **Manufacturing Category** for the year 2016 at the Award Ceremony held in Mumbai on 16th March, 2017.

VAB Team - M/s. Saptesh Sardesai - (Head - Met Coke & Power), Nitesh Nirala (Head - Pig Iron Division), Babaji Pagire (Associate Manager - Business Excellence) and Rajeshwari Shirhatti (Associate Manager-Finance) received the Award from Dr. Raghunath A Mashelkar (National Research Professor & President Global Research Alliance) Mr. Neeraj Bajaj (Chairman, IMC Ramakrishna Bajaj National Quality Award Trust) and Mr. Suresh Lulla (Chairman, IMC RBNQ Award Committee).

"This additional feather in our cap is due to the relentless efforts by all team members including in-house assessors. This prestigious recognition is reaffirming our *Quest for Quality* and continuing our journey to the next level of excellence," said Mr. N L Vhatte – Head Value Addition Business.

The Ramkrishna Bajaj National Quality Award is presented annually by the Indian Merchants' Chambers (IMC) to promote quality awareness and practices among Indian businesses, to recognize quality achievements of Indian companies and publicize successful quality strategies and programs. The Award categories include Manufacturing, Service, Small Business, Health care, Education and Overseas Organization. The Award is a national recognition by IMC Quality Cell, awarded to companies excelling in their Leadership, Strategic Planning, Customer Focus, Measurement Analysis, Knowledge Management, Workforce Focus, Operations Focus and Business Results.

Disclaimer

This press release contains "forward-looking statements" – that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as "expects," "anticipates," "intends," "plans," "believes," "seeks," "should" or "will." Forward-looking statements by their nature address matters that are, to different degrees, uncertain. For us, uncertainties arise from the behaviour of financial and metals markets including the London Metal Exchange, fluctuations in interest and or exchange rates and metal prices; from future integration of acquired businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different that those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements
