On this occasion, the key spokesperson Dr. Pascoal D'souza explained that "According to estimates from the World Health Organization (WHO) India needs approximately 12 million units of blood every year. Even one unit of blood can save three lives. Organizing blood donation camps is the perfect way for people to contribute for this cause. We appreciate Vedanta's efforts to come forward through this act of kindness."

#### Disclaimer

This press release contains "forward-looking statements" – that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as "expects," "anticipates," "intends," "plans," "believes," "seeks," "should" or "will." Forward–looking statements by their nature address matters that are, to different degrees, uncertain. For us, uncertainties arise from the behaviour of financial and metals markets including the London Metal Exchange, fluctuations in interest and or exchange rates and metal prices; from future integration of acquired businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different that those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements.
