

Vedanta among the top 3 companies in the Metals & Mining sector in FTI's India Disclosure Index 2017

Mumbai, August 3, 2017: Vedanta Limited, a globally diversified natural resources company, has received the highest ranking in the “India Disclosure Index 2017” by FTI Consulting. The company is among the top 22 disclosure champions (4.7% of the total nominations) and the leading company with highest disclosure in the metals & mining sector.

“We are excited to be among the top three in the sector for our disclosure practices. Corporate governance is a priority for Vedanta Limited and we strongly believe that transparency and a diligent reporting process are fundamental to a productive, sustainable relationship with our stakeholders. Our policies are consistent with the prevalent corporate governance codes across geographies; I am confident that we will continue to outperform ourselves in this aspect in the years to come”, said Mr. Tom Albanese, Group CEO, Vedanta.

The company has been awarded a Compulsory Disclosure score of 9.1/10; Mandatory Disclosure score of 2/2; Voluntary Disclosure score of 7.1/10. Overall as a group, the Top 100 listed Indian companies (by market capitalisation) have an average Composite Disclosure score of 6.8/10.

A total of 2,510 companies were nominated for the rankings. FTI Consulting worked with a three-member research jury comprising of Dr V.R. Narasimhan, Chief Regulatory Officer of the National Stock Exchange; Vikram Desai, Director at the Canada Pension Plan Investment Board India; and Sandeep Parekh, Founder and Partner, Finsec Law Advisors, to set the research methodology for the India Disclosure Index 2017.

The jury finalised 15 disclosure parameters, weighted to reflect importance of each parameters and recent changes in disclosure-related regulations. The India Disclosure Index covers publicly disclosed information by Indian companies to create a weighted CD scoring system with seven Mandatory Disclosure (“MD”) parameters and eight VD parameters.

Vedanta has a market capitalization of about US\$15 billion and is a part of India’s premier index, the Nifty 50. Vedanta is also among the top contributors to the country’s exchequer at nearly Rs. 40,000 crores in FY 2017.

This press release contains “forward-looking statements” – that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “should” or “will.” Forward-looking statements by their nature address matters that are, to different degrees, uncertain. For us, uncertainties arise from the behaviour of financial and metals markets including the London Metal Exchange, fluctuations in interest and or exchange rates and metal prices; from future integration of acquired businesses; and from numerous other matters of national,

regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different than those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements
