Vedanta's Pig Iron Plant Awarded by National Safety Council

Panaji, April 24, 2017: Vedanta's Pig Iron Plant at Amona, Bicholim, Goa was conferred the *Prashansa Patra in* Group – D under the Manufacturing Sector by National Safety Council of India for 2016. The award was presented to Mr. N L Vhatte, Head Value Addition Business, Mr. Narhari Gaons, Safety Incharge- Pig Iron Plant and Mr. Ramesh Sinari, General Secretary - Sesa Goa Workers' Union at the hands of Shri Bandaru Dattatreya, of Hon'ble Minister of State (Independent Charge), Labour and Employment, Government of India at a function organized on 20th April, 2017 in New Delhi.

Receiving the award Mr. NL Vhatte, Head VAB said, "It is a great achievement to receive this prestigious award in the Silver Jubilee Year of Vedanta's Value Addition Business. The award is in recognition for developing and implementing effective Management Systems and Procedures and achieving excellent performance in Occupational Safety and Health for the Assessment period of three years – 2013 to 2015. Vedanta's Pig Iron Plant had injury free years during the assessment period and this award is an endorsement of our objective of Zero Harm."

About NSCI: National Safety Council of India (NSCI) was set up by the Ministry of Labour, Government of India. It is an apex non-profit making, tripartite body, registered under the Societies Registration Act 1860 and the Bombay Public Trust Act 1950.

Disclaimer

This press release contains "forward-looking statements" - that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as "expects," "anticipates," "intends," "plans," "believes," "seeks," "should" or "will." Forward-looking statements by their nature address matters that are, to different degrees, uncertain. For us, uncertainties arise from the behaviour of financial and metals markets including the London Metal Exchange, fluctuations in interest and or exchange rates and metal prices; from future integration of acquired businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different that those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements
