
PRESS RELEASE

Vedanta Inaugurates Computer Training Centre at Harmal

- **Computer Training Centre inaugurated at Harmal Panchakroshi Shikshan Mandal**
- **The computer centre to benefit students of Harmal Panchakroshi Shikshan Mandal**

Pernem, Harmal, 6th June 2018: In its ongoing efforts to empower and educate the communities, Vedanta inaugurated a computer Training centre at Harmal Panchakroshi Shikshan Mandal on 4th June 2018. The computer training centre which is established in the premises of the institution, was inaugurated by Hon'ble Governor of Goa, Dr. Mridula Sinha, along with Mr. Laxmikant Parsekar, Former Chief Minister in the presence of the Management and staff of the educational institution and students.

The Computer Centre is aimed at imparting computer education equipping the students with technology based digital learning that will benefit them immensely in their academics and career.

Addressing the gathering Dr. Mridula Sinha, Hon'ble Governor of Goa Said "It is essential to encourage social activities as part of the curriculum for students. I am confident that the students will be able to benefit in a great way due to this Computer Centre and scale up in their technical soft skills.

Speaking on the occasion Mr. Laxmikant Parsekar, Former Chief Minister of Goa said "Vedanta has always been at the forefront of empowering the communities in Goa in many ways. Their contribution towards the cause of education by building this Computer Centre is indeed a very noble gesture and will help the students in a good measure. I urge the students and staff to make use of the facility built for them to gain knowledge and widen their horizons."

Vedanta as an organization has been focussed on imparting vocational training to local Goan youth through its Sesa Technical School. It has also been dedicatedly training young footballers through a grass root level development program by setting up the Sesa Football Academy.

Disclaimer

This press release contains “forward-looking statements” – that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “should” or “will.” Forward-looking statements by their nature address matters that are, to different degrees, uncertain. For us, uncertainties arise from the behaviour of financial and metals markets including the London Metal Exchange, fluctuations in interest and or exchange rates and metal prices; from future integration of acquired businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different that those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements.
