
PRESS RELEASE

STS Trainees Shine at All Goa Skill Competition

Panjim, 4th May 2018: Three trainees from Sesa Technical schools Sushant Gaonkar (Fitter Trade), Sahil Bhosle (Diesel Mechanic) and Govind Gawas (electrician) excelled at the 54th State level and 17th All Goa Skill Competition in their respective trades conducted by The Directorate General of Training (DGT), Ministry of Skill Development and Entrepreneurship, Govt. of India. The objective of this skill competition is to foster healthy spirit of competition among trainees of ITIs/ITCs. Mr. Govind Gawas will be representing Goa state at the All India skill competition to be held at Ludhiana from 22nd to 26th May.

Skill development of community for employability is one of the key aspects of Vedanta CSR philosophy. As a part of Vedanta's CSR objective, Sesa Technical Schools (STS) at Sankhali and Panchwadi are imparting quality industrial trainings to the youth of Goa with placement opportunities facilitated after completion of the course.

Mr. Naveen Singhal, CEO Vedanta-Sesa Goa Iron Ore said, "We are proud of the accomplishment of our Sesa Technical school students. Our wholehearted appreciation also goes out to the faculty members and the technical school management team for their consistent and dedicated efforts in shaping the youth of our communities."

Disclaimer

This press release contains “forward-looking statements” – that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “should” or “will.” Forward-looking statements by their nature address matters that are, to different degrees, uncertain. For us, uncertainties arise from the behaviour of financial and metals markets including the London Metal Exchange, fluctuations in interest and or exchange rates and metal prices; from future integration of acquired businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different that those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements.
