
PRESS RELEASE

Vedanta Constructs Crematorium at Bicholim

Bicholim, 29th March 2018: Development of community infrastructure is one of the major spheres of Vedanta CSR initiatives. Adding to its contribution towards social infrastructure, Vedanta - Sesa Goa Iron Ore constructed a crematorium at Gaonkarwada, Bicholim. The crematorium was inaugurated in the presence of Mr. Rajaram Gaonkar, Chairperson- Bicholim Municipal Council in the presence of the members of Bicholim Comunidade Committee, local communities and staff of Vedanta.

Mr. Rajaram Gaonkar addressing the gathering said, "This initiative by Vedanta in the interest of the community and the locals is a welcome one. The need for a proper crematorium for the locals around has been one of the necessities. The organization came forward to help the communities by providing a proper structure and facility, which is a noble task."

Mr. Joseph Coelho – Head – Operations – Iron Ore Goa stated, "The organization came forward to address the community needs for a respectful resting place for the departed. There existed a temporary structure but what was needed was a proper full-fledged crematorium which Vedanta volunteered to construct for the locals around."

The other members of the Bicholim Comunidade also expressed their gratitude to the organization for its support.

This press release contains “forward-looking statements” – that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “should” or “will.” Forward-looking statements by their nature address matters that are, to different degrees, uncertain. For us, uncertainties arise from the behaviour of financial and metals markets including the London Metal Exchange, fluctuations in interest and or exchange rates and metal prices; from future integration of acquired businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different that those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements.
