FOR IMMEDIATE RELEASE

Vedanta Inaugurates 5th Advanced Computer Learning Centre

Panaji, 7 May, 2018: Vedanta launched its 5th advanced computer learning center in Vidya Prabhodini College, Porvorim. The company already runs four such learning centers located in Bicholim, Sanquelim, Sanvordem and Navelim. This key event was inaugurated by the college principal, Mr. Damodar A. Mardolkar in the presence of the faculty and students.

Speaking on the occasion, Mr. Damodar said, “There is a dearth of computer literacy in our state and I am extremely happy and proud to be a part of such a visionary program. It has the potential to transform the lives of our students and will equip them with computer competency that will help them carve a brighter future.”

The main aim of Vedanta through such progressive programs is to help foster skill development in the youth, build fundamental knowledge and facilitate growth as well as positive change to enhance digital awareness in the young minds.

Also present on the occasion were Mr. Prashant Veli, college coordinator, Mr. Nilesh Zore, Head-CSR, Iron Ore Goa along with a few employees from Vedanta.

Disclaimer

This press release contains “forward-looking statements” – that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “should” or “will.” Forward-looking statements by their nature address matters that are, to different degrees, uncertain. For us, uncertainties arise from the behaviour of financial and metals markets including the London Metal Exchange, fluctuations in interest and or exchange rates and metal prices; from future integration of acquired businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different that those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements.
