PRESS RELEASE

VEDANTA COMMENCES CAMPAIGN TARGETING PLANTATION OF 40000 SAPLINGS BY YEAR END IN CHITRADURGA

Spreads environment protection awareness amongst around 400 employees and govt. school children during Vanamahotsav 2019 celebrations

Karnataka, July 9th, 2019: Vedanta- Sesa Goa Iron Ore Business spearheaded massive plantation drives and environment protection rallies to educate and spread awareness amongst the communities around its facility at Chitradurga, involving around 400 employees and govt. school children. The weeklong activity concluded with Honourable Chief Guest Shri C.D. Kumar, Senior Environment Officer and Shri Murlidharan B.S., Environment Officer from Karnataka State Pollution Control Board (KSPCB), Chitradurga appreciating Vedanta for taking such initiative which is vital for everybody’s survival. Mr. Krishna Reddy, Director, Vedanta – Sesa Goa Iron Ore, Karnataka and senior officials of Vedanta were also present on the occasion.

Mr. Krishna Reddy said, "As a responsible corporate citizen, we at Vedanta, are committed towards environment protection. We strive hard to ensure sustainable industrial growth in order to contribute towards value creation for our Stakeholders.” “I urge and encourage everyone to plant at least a sapling each around their communities.” He added.

Vedanta’s weeklong series of promotional activities at Chitradurga to commemorate the occasion of Vanmahotsav– 2019 included laying of ‘Eco friendly’ GeoTextile on waste dumps to prevent soil erosion and reclamation of dump sites; awareness session on importance of forest covers followed by a massive plantation drive by Vedanta employees wherein 440 saplings and 6000 seed balls were planted to rejuvenate the dump sites. An environment awareness rally was also organized in collaboration with NSS unit and College of Forestry, Sirsi, in which 150 students from 3 Govt. schools across the peripheral areas participated with huge enthusiasm, highlighting the importance of environment conservation amongst the community. Awareness sessions by Dr. Ramesh Rathod, Associate Professor, College of Forestry, Mr. Keshava Murthy, MSc. Forestry- Bird Specialist and Mr. Uday Kumar, MSc. Forestry- Butterfly Specialist were also conducted on ‘Importance of Van Mahotsava’, ‘Birds of India’ and ‘Butterflies of India’ respectively.

The week long drive indulged people into good practices and saw huge participation from the local community and Vedanta employees at Chitradurga.

This press release contains “forward-looking statements” – that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “should” or “will.” Forward–looking statements by their nature address matters that are, to different degrees, uncertain. For us, uncertainties arise from the behaviour of financial and metals markets including the London Metal Exchange, fluctuations in interest and or exchange rates and metal prices; from future integration of acquired businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different that those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements.
