PRESS RELEASE

Vedanta in collaboration with Udayavani provides knowledge access to 845 students from remote locations

Bengaluru, September 9th 2019 - Vedanta – Sesa Goa Iron Ore in collaboration with Udayavani Chitradurga publication launched the 'Shikshan Margadarshi Project' at Sri Bheemeshwara High School through which 845 high school students will be getting access to knowledge on a daily basis, free of cost via distribution of Udayavani newspaper, a leading Kannada regional publication. Senior officials from Vedanta – Sesa Goa Iron Ore along with the executives from Udayvani were also present.

"It is our school's honour to be associated with Vedanta – Sesa Goa Iron Ore & Udayavani as education does not just entail textbook knowledge and through this initiative students will get a better exposure regarding regional, national and world news", said Mr. Manjunatha Achar Headmaster – Sri Bheemeshwar High School while speaking on the occasion.

Krishna Reddy, Director, Vedanta-Iron Ore Karnataka Division Commented, "This initiative undertaken by Vedanta is purely in line with our vision for the social betterment of communities surrounding us. This project strongly advocates the importance of education through newspapers that would go onto providing a plethora of knowledge about current affairs. "

This initiative will help to reach out to 14 schools spread across 10 villages in the remote locations and provide the access of newspapers to the student & their families.

Disclaimer

This press release contains "forward-looking statements" – that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as "expects," "anticipates," "intends," "plans," "believes," "seeks," "should" or "will." Forward–looking statements by their nature address matters that are, to different degrees, uncertain. For us, uncertainties arise from the behaviour of financial and metals markets including the London Metal Exchange, fluctuations in interest and or exchange rates and metal prices; from future integration of acquired businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different that those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements.
