### **Goa CM lauds Vedanta Sesa Goa's school infrastructure development projects**

**Goa, 27<sup>th</sup> January 2023:** In line with Vedanta's vision of promoting education for holistic development of students, the Vedanta- VAB team initiated construction of a new block at Government High School Amona for the 'Atal Tinkering Innovation Lab' which will benefit over 250 students.

Honorable CM of Goa Dr. Pramod Sawant was the Chief Guest at the foundation stone laying ceremony today which was also attended by Mr. Saptesh Sardesai, CEO, Vedanta -VAB, Mr. Krishna Gawas, Village Sarpanch, Amona, and other members of the Amona village Panchayat. The new block will include an innovation lab, music theatre, and art rooms.

Vedanta Sesa Goa has initiated the construction of a new block for the Atal Tinkering Lab and Music and Theatre Art Room to enable the school to effectively manage the building and premises space. This is part of a series of infrastructure development initiatives planned for the school over the next year. Vedanta VAB has been actively working on the overall development of students through facilities such as the Atal Tinkering Innovation Lab, advanced computer lab, Scholarship programs etc.

### **About Sesa Goa Iron Ore Business**

Sesa Goa Iron Ore Business of Vedanta Limited is engaged in exploration, mining, and processing of iron ore. The company was founded in 1954 as Scambi Economici SA Goa and acquired by Vedanta. Since then, it has grown to be one among the top low-cost producers of iron ore in the country. During 1991-1995, it diversified into the manufacture of pig iron and metallurgical coke. It has also developed indigenous and environment-friendly technology for producing high quality metallurgical coke. Sesa Goa Iron Ore also has a 60 MW power plant that produces clean power by using the waste heat recovery from its coke ovens and blast furnace gas. Sesa Goa Iron Ore operations in India are in Goa & Karnataka.
