

Vedanta IOK Commits to Success of SSLC Students

Chitradurga, Karnataka: Empowering students with skills required to ace their examinations, Vedanta Sesa Goa – Iron Ore Karnataka (IOK) has launched the ‘Master Class to Achieve 100%’, at Shri. Nuthan High School, Siddapura. The initiative, under Sesa Goa’s Project ‘Vridhhi’ would empower 180+ students from four schools – Shri. Anjaneya Swamy High School, Kadleguddu, Shri. Anjaneya Swamy High School, Manangi, Dr. B R Ambedkar High School & Shri. Nuthan High School, Siddapura, through ‘Special Classes’ conducted on all weekends starting on 13th December 2025, for two months.

As part of the initiative Vedanta IOK is providing support through accomplished teachers who will be augmenting the preparations of the SSLC students through special classes. Students will also be mentored to overcome gaps in writing technique, time management, and tips on addressing questions as per board pattern. The event witnessed the presence of Raghavendra G., Chairman, Sri. Nuthan Education & Rural Development Society, along with Keerthi Kumar SB - Head Master, Manangi HS, Dr. Mahesh, Principal, Shri. Anjaneya Swamy High School, along with school faculty, students and Vedanta executives.

Marking the launch of the initiative, **Shrishaila Gouda, CEO, Vedanta – Iron Ore Karnataka** said, “We are proud to partner the students of Chitradurga through the Master Class initiative under Project ‘Vridhhi’, we will be providing special classes to over 180 students and are inspired to help them achieve 100% pass percentage in the upcoming SSLC examinations.”

Dr. Mahesh, Principal, Shri. Anjaneya Swamy High School, Kadleguddu, said, “ The ‘Master Class to Achieve 100%’ initiative will prove extremely beneficial for increasing the overall pass percentage in the SSLC examinations. Vedanta IOK’s initiative will further enhance the self-confidence in students and contribute to their performance. The company has been regularly supporting students & we appreciate their initiative.”

Aishwarya R, a student of Shri. Anjaneya Swamy High School, Manangi, expressed her thoughts on the initiative, “I hail from a rural household in Chitradurga, and my parents strive very hard to make our ends meet. At times, I find it difficult to understand subjects such as Maths and Science. The special classes by Vedanta IOK are going to be extremely helpful for me.”

Vedanta IOK as part of Project ‘Vridhhi’ has been undertaking several projects aimed at promoting education among rural youth. Its ‘Back to School’ initiative provides study materials to students with 10000+ students benefitting so far , and the company also undertakes upgradation of school infrastructure such as sanitation blocks & science labs, and its Vedanta ‘Utkarsh’ Scholarships have so far benefitted over 500 students in rural Karnataka.
