### **VEDANTA COMMENCES ITS SUCCESSFUL ENRICHMENT PROGRAMME FOR SSLC STUDENTS - 2020**

The enrichment programme benefits over 550 SSLC Board students

**Chitradurga, 30<sup>th</sup> January, 2020:** Vedanta- Sesa Goa Iron Ore unit is organizing an enrichment programme, "The Path of Success" in association with Chitradurga Education Department for Secondary Education Examination Board students. The event will be divided into various interactive sessions which will establish a fun and interactive communication and knowledge sharing ways with students to develop student's personality and measures for succeeding in exams.

"The Path of Success" is a one-month activity programme which will be conducted every week with SSLC board students. The programme is designed to deliver guidance to the students on tips for exam preparation, guidelines and special classes for specific subjects. There was also a provision of a 6 subject guide package handed to each student to ensure an effective preparation before the exams. The education programme benefits over 550 SSLC students in Chitradurga including 294 students from 6 high schools who will avail the benefit this year.

Speaking on the occasion, Shri. Shivanna, Kannada Subject Inspector, Chitradurga Education Board said, "This is a very good initiation undertaken by Vedanta, to guide and prepare the students who will be appearing for the upcoming SSLC Boards. This programme gives the students, teachers, the Chitradurga Education Board the required assurance that there will be an improvement in the overall SSLC performance in the Chitradurga. "

Mr. Krishna Reddy, Director, Iron Ore, Karnataka commented, "I would like to thank the Chitradurga Education Department for extending their support in our endeavor to promote education amongst our communities through such programmes. In the year 2019, "The Path of Success" programme benefited 90% school students from the surrounding villages which was appreciated by the Education department and we continue to extend the benefit this year as well. "

### **Disclaimer**

This press release contains “forward-looking statements” – that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “should” or “will.” Forward-looking statements by their nature address matters that are, to different degrees, uncertain. For us, uncertainties arise from the behavior of financial and metals markets including the London Metal Exchange, fluctuations in interest and or exchange rates and metal prices; from future integration of acquired businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different than those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements.
